Project: Standing Offer for Mechanical Services

Bidders must make sure that their bids are based on the latest version of the tender documents published and take into consideration the following amendments and information, including any information provided on amendments or Q&As previously published for this project.

Bidders that do not comply with this requirement will be discarded.

Question 1: It was noted that there was no mention of the \$ per hour rates for licenced steam fitters, welder, pipe insulator and electrician. Will they be added?

Answer 1: No as there would be too many individual trades to list and that the electrical was on a separate standing offer.
