The following is in response to inquiries.

Question 1

Can a sub/specialist to a proponent, for the Prime consultant RFP for the West Memorial Building – Asset Integrity Project, submit a proposal for the Environmental Consultant for the same project without being in a situation of potential conflict? Please confirm that a sub can submit a proposal for the Environmental Consultant role without prejudicing their other proposal for engineering services.

Answer 1

Yes, an engineering sub-consultant that has been included in a proposal for the Prime Consultant contract can also submit a proposal for the Environmental Consultant contract. There would be no conflict of interest, but each proposal will be evaluated separately.

Question2

How can we obtain the CD of reports and documents that are available during the tender call?

Answer 2

The PWGSC Contracting Officer can be contacted (mike.talom@tpsgc-pwgsc.gc.ca) to request a CD that contains the reports being made available during the tender call.
