The Offeror confirms that it understands that where it has made a false declaration or provided false or misleading information under these Integrity Provisions, the Minister of PWGS will declare a Offeror to be ineligible to be awarded contracts for a period of ten years. The period of ineligibility is effective from the date of determination by the Minister of PWGS.

14. Period of Ineligibility for Breaching Administrative Agreements

18. Public Interest Exception

The Offeror confirms that it understands:

- a. that, with the exception of a legal incapacity to contract resulting from section 750(3) of the Criminal Code, Canada may enter in a contract with a Offeror, or any of its Affiliates, which have been convicted of or have pleaded guilty to any of the offences referenced in the Canadian Offences and Foreign Offences subsections, where Canada considers it necessary to the public interest for reasons which include, but are not limited to:
 - i. the need is one of pressing emergency in which delay would be injurious to the public interest;
 - ii. the Offeror is the only person capable of performing the contract;
 - iii. the contract is essential to maintain sufficient emergency stocks in order to safeguard against possible shortages; and;
 - iv. not entering into the contract with the Offeror would have a significant adverse impact on the health, national security, safety, security or economic or financial well-being of the people of Canada or the functioning of any portion of the federal public administration;
- b. Canada may only enter into a contract with a Offeror under this subsection where the ineligible Offeror has concluded an Administrative Agreement with the Minister of PWGS, on such terms and conditions that are necessary to safeguard the integrity of the procurement process and can apply to any procurement. The Administrative Agreement need not be concluded in advance of the solicitation.
