- 
- Q 1** Is there a new rooftop HVAC unit on the plan drawings. Is it a new unit (for us to bid on) or if it is an existing unit (not required). There is no mention of these units in a specifications or schedule.
- A 1** The drawing M1 clearly states 2 new condenser /compressor rooftop units, which are referred to in the refrigeration schedule directly below it. There is no HVAC on this job.

Thank you,
