This amendment 011 is raised to provide a response to a supplier enquiry. The question and response are provided as follows:

Question: Please clarify that STR section 3.12.1.4 is applicable for all six Living Units?

Response: The relays associated with the DCMS in living units 52 and 57 do not require replacement. All the relays associated with the DCMS in living units 50,51,58 and building 5 RRC do require replacement.

Question: Will Annex "A" of the RFP be reissued to accommodate the requested line item pricing for the optional spare equipment clarified within addendum 006 Q&A #14?

Response: Annex "A" requests the item listing information and it is incumbent on the supplier to provide the grid listing and unit pricing as well as the firm lot price for the overall option.

"7. Spare Parts and/or Test Equipment

The bidder must submit a spare parts and/or test equipment list identifying each recommended spare part and/or test equipment required. The bidder must also submit a firm unit price for each recommended spare part required."

All other terms and conditions remain unchanged.
