- Q 1: I have only one more question regarding the pricing sheet (schedule of quantities and prices)
Item 2 states a 3 person carpentry ground crew plus tools and expenses x 300. Is that 300 days for 3 persons based on an 8 hour day (24 hours per day x 300) or is it (8 hours per day x 300)
- Pare 3 of the ITT states 100 working days for 3 people, that would be the same as 8 hours per day x 300.
- A1: A 3 person carpentry ground crew for 300 man days is representative of 100 working days for 3 people or 8 hours per day x 300 days. The contractor is to bill per man, per day with a minimum of 3 persons.

Thank you,
