Questions & Answers

Q1 - Solicitation Date Closing (cover) - 2015/10/23 14:00 Eastern Daylight Time (EDT) In order to provide a quality response to this RFI, we respectfully request that an additional one (1) week extension be granted (for an October 30, 2015 close date).

A1 – Yes, we will grant an extension to the closing date until October 30th, 2015

Q2 - Background and Purpose (Page 3)

The purpose of this RFI is to provide an opportunity for those interested, to provide information they feel ESDC should be aware of when developing requirements related to the planning, acquisition, implementation and use of gamified learning solutions.

Clarification: Does the crown intend to host an industry day with vendors or any one-on-one's with industry to further shape a subsequent RFP for this ESDC requirement? Please advise.

A2 – We have no intention of hosting an industry day or to meet one-on-one with industry. If we have specific questions, we'll contact the appropriate vendor(s).

Q3 - In reviewing the RFI, we believe we have found a clerical error. In section 10, the RFI states: "Time and Place for Submission of Responses: Respondents should send responses electronically via e-mail to the Contracting Authority's address identified herein by the date specified on the front page of the RFI." However, the front page of the RFI is the table of contents.

Can the Crown please confirm that responses should be submitted to the Contracting Authority as laid out in section 9?

A3 - Yes, please send responses to the Contracting Authority as laid out in section 9.
