

**Q1)** Could you please advise the distance from the existing LAN Room 113 to the new LAN Room 149? 113 is not identified on the floor plans.

**Response:**

Please see attachment 011- Reference drawing 1/A2.01 Ground Floor – Furniture & Equipment Plan:

1. The existing LAN room is shown in the drawings. It is located at gridlines '3' and 'F-1'.
2. The distance between the existing LAN room and LAN 149 can be determined by adding up the gridline dimensions provided and shown in the drawings.
