QUESTIONS AND ANSWERS

Q1: Will this project have security requirements attached to it like DOS Reliability or FSC Secret for general contractor and sub-contractors? Are there other security requirements?

A1: There will be no requirement for DOS Reliability or FSC Secret under this contract. However, the Sub-contractors working on the Building Security systems will have to be CPIC cleared, all other general contractor and sub-contractor's personal will only require CPIC clearances after the Certificate of Substantial Performance is issued and the building occupied by CSC. The site during the building construction will have to be secured according to the requirements of Halifax Regional Municipality.

Q2: Section 11 31 00 – Domestic Appliances states that the finishes will be selected from Black, White or Stainless Steel. All finishes have different price points, white being the cheapest and stainless steel being the most expensive. Can you clarify the finish required for each appliance?

A2: The appliances are to be white.
