AMENDMENT 001

E0225-161406/A

This amendment is issued in response to the following bidder questions.

1. We have to look for 3 manufacturing counterweight table: 24 x 36 and 24 x 42 and none can provide that size because it does not give enough weight. Only electric adjustable bases or crank accepts these dimensions. Can we offer you these table with an electric or crank mechanism, or can we offer you a table 24 x 48?

Answer:

- (a) The 24" x 42" table is required and must have the noted method of operation as stated in Annex "A".
- (b) Electric mechanism would be acceptable. Crank mechanism is not acceptable.
- (c) 24" x 48" table is not acceptable.

2. The spec is asking for a 26" to 41" height range. Are we able to bid on a table that has a 27" to 47" height range?

Answer: A minimum height range of 27" to 41" would be acceptable. Any products with a greater range would be deemed compliant.

3. If not, can we achieve the desired height by adding a keyboard system which will allow the user to be able to keyboard at a 26" H? Would this option be acceptable?

Answer: Keyboard trays would not be considered as an option.

**4. Under Annex "B" – Basis of Payment**

Delete: Item #1 914mm (36") long x 610mm (24") deep (nominal) height adjustable rectangular table.

All other terms and conditions remain unchanged.
