Title: NISO-CCTV & Duress Alarm System

Solicitation Amendment No. 005

This solicitation is hereby amended to provide the following questions and answers:

Q22. There is not enough information is published to be able to design and quote the duress and mass notification system. The cost of the system is directly proportional to the square footage of each floor, the number of floors, and the number of zones on each floor.

- a. **Please advise on the standard of acceptance for the duress and mass notification.**

A22. a. See Section 5, Appendix "A" for standard

- b. **Please issue a riser drawing for the panic, mass notification**

A22. b. Not required, all sites will be on one floor

- c. **Please issue a drawing that will form the basis of system design. (naturally larger systems would increase the price and smaller would be cheaper)**

A22. c. Drawing not available – see Q22 (a) response
