

Waterton Lakes National Park

Cameron Lake Day Use Area

Minutes

Date: 05/11/15

From: Michael Houldin

Subject: Cameron Lake DUA (CLDUA) Pre-Tender Site Review

Items Discussed:

| # | Discussion | Action |
|---|--|--------|
| 1 | <ul style="list-style-type: none"> Background and project purpose | Info. |
| 2 | <ul style="list-style-type: none"> Review of scope for parking, washrooms, buildings, pavement and concrete work, interpretive work, walking trails, docks and bridge abutments. | Info. |
| 3 | <ul style="list-style-type: none"> Project schedule: construction expected to KO May 2015 and go through to fall 2025 | Info. |
| 4 | <ul style="list-style-type: none"> Tender package requirements | Info. |
| 5 | <ul style="list-style-type: none"> Technical clarification | Info. |
| | <ul style="list-style-type: none"> Response to questions | |
| 6 | <ul style="list-style-type: none"> The CLDUA site will be closed to the general public during construction | Info. |
| | <ul style="list-style-type: none"> Contractors will be permitted to camp along the road entering the CLDUA. | Info. |
| | <ul style="list-style-type: none"> When asked to clarify remediation; soils around the area will require removal and replacement that meets the requirements of the environmental plan. | Info. |
| | <ul style="list-style-type: none"> Piles for buildings etc will be concrete. | Info. |
| | <ul style="list-style-type: none"> There was a concern over the traffic management during the project. It is expected there could be 1000+ truck loads on the Akimina Parkway road causing safety issues with other road users. PCA is looking at this and potential resolutions. | Info. |
| | <ul style="list-style-type: none"> Safety concern due to remote location was brought up. It is expected that a safety plan be included in the tender that provides information on medical or medical evacuation. | Info. |
| | <ul style="list-style-type: none"> The CLDUA has no cell or land line coverage. We will look into options which include access to the PCA radio frequency. | Info. |
| | <ul style="list-style-type: none"> Recycling of materials per PCA standard requirements | Info. |
| | <ul style="list-style-type: none"> The Bridge load is not currently known to PCA. | Info. |
| | <ul style="list-style-type: none"> | |
