### **BIDDER QUESTIONS and DFO ANSWERS**

**1. Question from Bidder:**

I have a question about the RFP requirements - is it necessary to include as part of the proposal package the Supplementary Contractor Information (Appendix B, section 7)? I don't see it listed as a requirement in the Technical or Financial Proposal contents.

**DFO Answer 01:**

Appendix “B” is to be completed upon contract award by the successful supplier. It forms part of the Request for Proposal package, for informative purposes only. It is not required at time of Proposal submission by Bidders.

**All other Terms and Conditions for this requirement remain unchanged.**
