The purpose of this amendment is to make the following change:

1. Paragraph 2.12                      Industry Day

Delete:

An industry day will be held after the initial draft RFP review period. This industry day is scheduled for 14 December, 2015, which immediately follows the initial draft RFP review period. Additionally, the 15<sup>th</sup> and 16<sup>th</sup> of December 2015 are available for one-one-one sessions to clarify any RFP content where the Bidder does not want to discuss the topic in an open forum due to proprietary concerns. The purpose of this conference is to ensure potential bidders clearly understand the requirement, have an opportunity to clarify any aspects of their understanding of the requirement and have an opportunity to ask questions or make suggestion concerning the content of the solicitation. Although the industry day will not be mandatory, Bidders are encouraged to attend. Bidders must confirm their attendance at the industry day with the Contracting Authority by 14 December, 2015.
