This Addendum is raised to provide the following answers to questions provided by bidders.

Question 1

Will the existing access control system be replaced or upgraded before this tender is completed? If so can we be advised of the supplier and equipment that will be in place for this tender award?

Answer 1

Possibly. Supplier is Neuron Communications. System is Kantech.

Question 2

Under Operation, Emergency Operations the first line states that;

"the unit must be capable of being connected to the Fire Alarm system"

Just to clarify this line, are the units to be connected to Fire Alarm or just be capable of being connected to Fire Alarm?

Answer 2

Capable of being connected.
