This Amendment 005 is raised to incorporate the BidCentral Online Bidding for Subcontractors (BOBS) Pre-Bid Interpretation 3.

All other terms and conditions remain unchanged.

PRE-BID INTERPRETATION No. 3

Date: December 3, 2015
To: All Plan Holders
Project: Pacific Agri-Food Research Centre
Mechanical and Electrical Systems Upgrade Project
Summerland, BC

Bid Calling Authority: Public Works and Government Services Canada

As allowed under Rule 1. F. Pre-Bid Interpretations, we are hereby issuing the following clarification to all plan holders. Unless defined herein the Standard Exclusions will apply; *General Contractors are responsible to include all work that may be excluded from a BidCentral Online Bidding for Subcontractor's (BOBS) Bid as they deem necessary.* This document does not imply a requirement to include work not specified:

1. All Bidders

Please note that as per Pre-Bid Interpretation No. 1 scope of work matters relating the extent to which work specified in the Project Documents is included or excluded in the Trade Contractor's Bid are to be referred to the BOBS administrator. If we determine a clarification is required we will issue a Pre-Bid Interpretation.

2. Electrical

The BOBS Rules of Procedure, Appendix A Standard Exclusions take precedence over the addendum for Electrical as follows:

- a. Electrical Addendum No. 1, Page 2 of 3, Q&A #8: Seismic Engineering is required to be included as specified in the Electrical specification.
- b. Electrical Addendum No. 1, Page 3 of 3, Q&A #12: Precast concrete vaults are an Electrical Standard Exclusion and as such are excluded from the Electrical Bid. General Contractors shall include for this work as they deem necessary.

END

BidCentral Online Bidding for Subcontractors per;

Warren E. Perks, Administrator

All Plan Holders should insure that copies of this Pre-Bid Interpretation are forwarded to all those to whom they have issued copies of the project documents.
