

Panel Hung Plastic Laminate Furniture Component Typical Layouts

Workstation: 4.5m² / 50ft²-pi² - WSTN-01 and WSTN-05 (Rooms 0050 and 704)

Furniture Plan

Furniture Components

Item:	Description:
-------	--------------

Workstation Components:

	- 914mm (36") wide x 1676mm (66") high panels
	- 1219mm (48") wide x 1676mm (66") high panels

Panel Hung Components:

	- 914mm (36") x 914mm (36") - Corner work surface
	- 914mm (36") x 610mm (24") - Work surface
	- 1219mm (48") x 610mm (24") - Work surface
	- 1219mm (48") x 304mm (12") or to be of a depth to accommodate a regular binder. - Overhead storage bins with a task light beneath - Overhead storage to lock

Freestanding Components:

	- 610mm (24") x 381mm (15") - File/file mobile pedestal - Pedestal to lock, finished on all sides
	- 610mm (24") x 381mm (15") - Box/box/file mobile pedestal - Pedestal to lock; finished on all sides

General Notes:

Item:	Description:
	- Wire management mounted to underside and/or rear of worksurface. Wire management to accommodate surge protection bar (8 receptacles) that is ULC listed and meets all applicable codes. Basket installation location should not interfere with pedestal, file, or grommet location.
	- Furniture to accommodate specialty keyboard tray and arm as per following specification: ISE, model: Leader 4 combo with 27" Skate platform with wrist rest.

Electrical Components:

All duplex and voice/data receptacles to be at workstation height and integrated in the panel system.

	- Duplex Receptacle
	- Voice/Data Receptacle

Freestanding Plastic Laminate Furniture Component Typical Layouts

Workstation: 11m² / 120ft²-pi² - WSTN-02 and WSTN-04 - Piano Top Left (Rooms 0044, 0045, 0046, 215d and 500e)

Furniture Plan

General Notes:

Item: Description:

- To provide wire management mounted to underside and/or rear of worksurface. Wire management to accommodate surge protection bar (8 receptacles) that is ULC listed and meets all applicable codes. Basket installation location should not interfere with pedestal, file, or grommet location.

- Furniture to accommodate specialty keyboard tray and arm as per following specification: ISE, model: Leader 4 combo with 27" Skate platform with wrist rest.

- Credenza surface to be able to accommodate a 2-drawer filing cabinet (NIC).

Furniture Components

Item: Description:

Work Components:

- 1830mm (72") x 1220mm (48") x 914mm (36")
- Piano-top work surface c/w 254mm (10") stretcher/modesty panel and 127mm (5") dia. black metal post leg.

- 1219mm (48") x 610mm (24")
- Work surface

- 1066mm (42") x 610mm (24")
- Work surface

- 1067mm (42") x 304mm (12") or to be of a depth to accommodate a regular binder.
- Overhead storage bin
- Overhead storage to lock

- 1200mm (48") x 304mm (12") or to be of a depth to accommodate a regular binder.
- One overhead storage bin with a task light beneath
- Overhead storage to lock

Freestanding Components:

- 610mm (24") x 381mm (15")
- File/file mobile pedestal
- Pedestal to lock; finished on all sides

- 610mm (24") x 381mm (15")
- Box/box file mobile pedestal
- Pedestal to lock; finished on all sides

- 610mm (24") x 610mm (24")
- Personal storage tower c/w 2 doors, 2 large file drawers (325mm), one coat rod, lock & keys.

- 914mm (36") x 356mm (14") x 1613mm (63-1/2")
- Bookcase complete with three (3) adjustable shelf

Freestanding Plastic Laminate Furniture Component Typical Layouts

Workstation: 11m² / 120ft²-pi² - WSTN-03 - Piano Top Right (Rooms 020a, 215b and M9a)

Furniture Plan

Furniture Components
