This Addendum is raised to provide the following answers to questions provided by bidders.

The following changes in the tender documents are effective immediately. This addendum will form part of the contract documents.

ANSWERS TO QUESTIONS

1. **QUESTION**

On drawing M3, it shows the threadbar is to be welded. This has been addressed in a previous amendment, however I am being informed by our threadbar manufacturer that they do not allow any welding to be done on their bars. They have suggested welding a coupler to the existing bar and threading the new bar into the coupler.

ANSWER

Bid it as you see it.
