## **AMENDMENT # 007**

This amendment is raised to:

- 1) Respond to the questions from bidders relating to the content of the RFP, as set out in Appendix 001;
- 2) Amend the Request for Proposal (RFP), as set out in Appendix 002

Under Article 2.3 of the Request for Proposal, the deadline for submitting questions or enquiries will be December 6, 2015. Canada makes no commitment to provide answers to questions submitted after December 6, 2015.

---

## **Appendix 001**

### **Question 128**

Question 1:

Reference Documentation file: en\_annex\_a\_technical\_requirements\_revised\_Dec 7th 2015.  
Appendix B – Port Count Density

The crown just released Amend 5 containing substantial changes to the Access and Aggregation port densities, with no change to the close date of Dec 10th, 48h from now.

The changes in the port density require major changes to the Bill of Materials, Pricing approvals, Architectural diagrams, solution architectural write up, throughput, capacity and over subscription verifications. The impact to changing the port densities this close to the close of the RFP makes it unrealistic to meet the current bid submission date.

Respectively requesting the CROWN extend the bid close date to Monday Dec 14th, 2015.

### **Answer 128**

Please refer to Appendix 002

### **Question 129**

With Amendment 006, SSC has effectively doubled the number of user port counts at the Access Layer for the Carling Campus RFP (see revised Annex B port counts). These changes from SSC are significant and will require a detailed review of technical design at Access, Aggregation and Core-layers of the Carling Campus LAN solution. Will SSC provide an extension to December 11, 2015 at 1400hours?

### **Answer 129**

Please refer to Appendix 002
