SOLICITATION AMENDMENT 004

This solicitation amendment is raised to:

1. Address the following clarification questions submitted by potential bidders; and
2. Modify the RFP if necessary.

1. CLARIFICATION QUESTIONS AND ANSWERS

Question #	RFP Reference	Title/ Topic	Clarification Question	Response #	Clarification Response
1	Annex E, Section 2.17	Senior System Support Analyst – Mandatory Criteria, SSSA - M6 (p.34 of 56)	<p>The Senior System Support Analyst role requires demonstrated experience with a very specific combination of technical environments, protocols and information system security architectures, as well as Secret Security Clearance.</p> <p>This comprehensive list of skills and experience combined with a Secret Security Clearance creates a set of mandatory requirements that precludes virtually all qualified candidates and, in combination, may yield only 1 or 2 compliant candidates.</p> <p>We note that the security clearance requirements vary between roles indicating that access to information on the project is managed according to need for access, role, and security clearance.</p> <p>Presumably, the need for this role to access Secret information could similarly be managed in the</p>	1	<p>Canada has considered the request; however, the requirement for SECRET Security Clearance for the Senior System Support Analyst resource remains unchanged.</p> <p>For clarification, the Assessment for Resource Evaluation under Annex E of the Bid Solicitation referenced in the question (SSSA - M6 (p.34 of 56)) will only occur after contract award and therefore is not a part of determining the responsiveness of bids received.</p>
