Due to the technical nature of amendment 001, this amendment will be available in English ONLY.

Amendment 001 is raised to answer the following questions:

Question 1: In the solicitation document, it states on page 11 that “The Contractor shall perform and complete the Work within Sixty [60] weeks from the date of notification of acceptance of the offer.”

However in the specification document under Division 01 General Conditions, it states “The Contractor shall complete all Work related to this Contract to the approval of the Departmental Representative on or before March 31st, 2016.”

Is the solicitation document's timeline of 60 weeks the correct one?

If so, is there an interruption of work during the ferry's operational season (spring, summer, fall)?

Answer to Question 1: In Specification Section 01 11 00, **DELETE clause 1.6.2.** No work onsite during Ferry operating season. Both ferries will be operating as usual for the 2016 season. Ferry schedule is available online at: <http://www.ferries.ca>

All Other Terms and Conditions Remain the Same
