Q1

Concerning your current manual practices, would it be possible to have a sample of the XLS sheet as completed today by your staff?

A1

The request is not necessary because we no longer use manual processes.

Q2

Would it be possible to have a copy of the printed flight guide currently used to verify the data?

A2

No printed flight guides are required for the electronic data extraction.

Q3

Could we have the URL link to the internet website that contains the on-line information used to validate the data?

A3

Flight schedules are no longer being verified online due to the accuracy and precision of the electronic data extraction.

Q4

You mentioned the quality and the accuracy of the data: what are your criteria to evaluate the quality of the data that are automatically created?

A4

See the Statement of Work.

Q5

In the criteria of selection of the provider: will you evaluate the technological aspect of different candidates or only the lowest quote will be selected?

A5

See Procedures of Evaluation and Basis of Selection within the RFP.
