Amendment 001 is raised for the following:

Q1- Could you please give me the destination of goods complete address?

A1 – As per the solicitation, the complete address is: Formation Commander, HMC Dockyard, Bldg D-206 Door 1 thru 13 Halifax, NS B3K 5X5

Q2- This shipment will be about 10 crates 48”*40” and a total of 21,750 lbs, I want to ask if there is a loading dock were a trailer can be unloaded without having to use smaller 5 ton trucks with power tail gate.

A2- Yes, there is a loading dock.

Q3- Just want to make sure the price has to include freight to your location (loading dock) and that DND will be responsible from there to uncrate and install the dumbbells in the gyms. We do not need to include price for opening up the crates and take the dumbbells to the gym or gyms.

A3- Correct, no need to include opening crates. Freight and unload only.

Q4- In regards of what you need, please confirm the following; Example 5 lbs you need 8 sets, so 8 pairs or 16 pieces correct?

A4 - As per Annex A, the “unit of measurement” is a set = 2 units, so that multiplied by the “estimated quantity” would give you the total number of units, thus $2 \times 8 = 16$ as indicated above.

Q5 - The address for delivery is indicated but will installation need to be completed at a different site or are the instructions FOR DELIVERY ONLY. As well, will there be a forklift available for unloading.

A5 - There is a forklift available at the warehouse, which is where the dumbbells are being delivered. There is no requirement for installation.
