**Amendment 001 has been raised to provide answers to questions that were raised.**

**Question 1:** We have looked at the plans and have noticed there is a scope of work to remove flooring. Is there a plan to replace it, if so with what type of flooring?

**Answer:** Sheet A1, Demolition Note D2 states remove flooring from Room 201. The RCMP assumes there is pre-existing hardwood flooring underneath the carpet. Take up and dispose of the broad-weave carpet and smooth edge, re-install existing baseboard. At that time the Owner will decide on floor treatment (ie: re-lacquered - NIC) , if any. The RCMP may also decide to leave as-is.

**Question 2:** The following windows are to be modified W1, W2, W3, W4. Could you please explain.

**Answer:** W1, W2, W3, and W4 refer to window dimensions (see Sheet A2), for materials estimating and custom fabricating. Renovation Notes R1 and/or R4 (see Sheet A1) apply selectively, as indicated, to the 4 different windows.

Refer to Specification Section 05 50 10 - Window Security Grilles and Section 10 10 10 - Reflective Window Film for more information.

**Question 3:** Is there a finish schedule for the walls?

**Answer:** No paint or finish schedule will be provided. RCMP Intent: that a minimal amount of painting be performed. For all locations to be painted and/or patch painted: match existing, and paint affected surface to the nearest inside or outside corner. For new drywall: prime plus 2 coats. For existing painted surfaces: 1 re-coat.

For additional painting information, see Specification Section 09 91 05.

**Questions from Site Visit:**

**Question 4:** Location of the main power feed?

**Answer:** Under stairs.

**Question 5:** Are there specific locksets for doors receiving new hardware?

**Answer:** Yes - see specifications.

**Question 6:** What is the proposed timeline?

**Answer:** Proposed schedule as follows: contract award early January; shops and security clearance 4-6 weeks; construction complete by end of March 2016.

**Question 7:** Is room 201 receiving another layer of drywall including the ceiling?

**Answer:** Yes - see drawings.

**Question 8:** Where are applications being submitted to?

**Answer:** Please refer to the solicitation documentation for full instructions.

All other terms and conditions remain the same.<<END>>>
