## **ADDENDA NO. 2**

***The following changes/clarifications in the tender documents are effective immediately. This Addendum will form part of the Contract documents.***

### **1) Summary of Work**

#### **a) 1.0 Mobilization**

*Q. Please clarify what is included in item 1.0.3 "site clean-up and disposal of all materials not being salvaged", how do we get paid for disposal?*

*A. Any costs in addition to the rental of equipment, as required by the Owner, will be paid through a Change Order to work.*

### **2) General Requirements**

#### **a) 1.9 Barriers, Lights and Watching**

*Q. At the site meeting, we were told that all items covered under this section would be provided by the Client Department. Please clarify that the Client Department will provide all items in this section. If the contractor is to provide these items, where do we get paid for these items?*

*A. Any costs in addition to the rental of equipment, as required by the Owner, will be paid through a Change Order to work.*

#### **b) 3.1 Site Access**

*Q. Item 3.1.4 refers to the install /erecting barriers, fences, lights, warning devices and other protective measures. Will all the materials be provided by the Client Department or is the contractor responsible for providing these materials, how do we get paid for these items if the contractor is responsible to supply?*

*A. Any costs in addition to the rental of equipment, as required by the Owner, will be paid through a Change Order to work.*

c) 3.7 Disposal

*Q. How do we get paid for the disposal covered under items 3.7.1, 3.7.2 & 3.7.3?*

*A. Any costs in addition to the rental of equipment, as required by the Owner, will be paid through a Change Order to work.*

**3) Health & Safety**a) 1.12 Health & Safety Co-ordinator

*Q. Is the contractor responsible for providing a full time health & safety co-ordinator ? how do we get paid for full time health & safety co-ordinator?*

*A. If it is determined by the Owner that there is a requirement, a full-time health & safety co-ordinator will be paid through a Change Order to work.*

**4) Environmental Procedures**

*Q.1 Please confirm all erosion and sediment control measures will be reviewed onsite by the contractor & the Client department prior to beginning work.*

*A.1 Yes, all erosion and sediment control measures will be reviewed onsite by the Contractor and the Owner prior to beginning work.*

*Q.2 Please confirm supply and install of erosion and sediment control measures are not part of the tender submission and will be paid as extra work covered under change orders*

*A.2 If it is determined by the Owner that there is a requirement for erosion and sediment control measures, the required supply and install will be paid through a Change Order to work.*

**5) Construction Demolition and Waste Management and Disposal**

*Q.1 Please clarify the demolition requirements for this tender, at the meeting we were told ALL demolition will be completed by others & that it is not included in this tender submission*

*A.1 Any demolition required and agreed upon by the Owner and successful bidder will be in addition to the rental of equipment and will be paid through a Change Order to work.*

*Q.2 How do we get paid for the removal & salvage of waste & recyclable material? How do we get paid for the disposal of this material?*

*A.2 Any costs in addition to the rental of equipment, as required by the Owner, will be paid through a Change Order to work.*

**6) Heavy Equipment Rental**a) 1.1.2.12 Tandem Dump Truck

*Q. Please confirm the rental for this item is specific to a standard Tandem dump truck 3 axle with a capacity of 12 cubic meters (18 cubic meter capacity does not exist), and this is not the rental of a tandem truck & pony.*

*A. The requirement is to transport a minimum of 18 cubic meters at a time. A Tandem truck and pony is an acceptable choice of equipment.*

**7) Earthwork Short Form**a) 2.1 Material

*Q. Addendum No.1 refers to aggregate gradation specifications that have been revised per the addendum, the descriptions in the Earthwork Short Form section referring to the material and gradation requirements have not been revised, please provide a gradation specification for **ALL** aggregate types required for this tender as per the specified products in the revised schedule of quantities.*

*A. Refer to the answer provided in Addendum #2.*

b) 3.2.1.1 Preparation

*Q. Who is responsible for the supply of the temporary erosion control measure products? If the contractor is responsible for the supply of these items, how do we get paid?*

*A. If it is determined by the Owner that there is a requirement for temporary erosion and sediment control measures, the required supply and install will be paid through a Change Order to work.*
