The Purpose of this Amendment 01 to RFP 1920-0015000/b is to:

- facilitate the first round of questions and answers, and;
- update the basis of payment from days to hours.

Q1

Annex B, Table 1, "Estimated number of days": 2700 days for each technician and 300 days for each adjudicator. The CHMS will run from Jan 2016 to Mar 2020, i.e., approximately 4 yrs. The result of 2700 days divided by 4 years is 675 days per year. How can each technician work 675 days per year? Did I misunderstand the 2700 "Estimated number of days" for each technician shown in Table 1?

A1

The Annex B should read 2700 hours and not days. The 2700 hours would be divided between two (2) technicians. The Annex B has been updated and attached below.

1- At Annex B, Basis of Payment:

Delete in its entirety

Insert:

ANNEX "B"

BASIS OF PAYMENT

The per hour rate, for the work, as described in Annex A, Statement of Work, is firm, and all inclusive, GST/HST extra if applicable. This price includes all expenses associated with the provision of the services required under this Contract; no other fees, costs or amounts will be paid.
