

Solicitation amendment 001 is being created for the following:

The following question is being asked by a potential bidder:

Question 1

The tender document states the vendor needs to be within 50km of the greater Moncton area. What is the reason for being in the Moncton area?

Answer 1

The vehicles must be delivered and inspected by officers in the Moncton area; therefore the vendor must be in proximity of the detachment.

*** All other terms and conditions remain the same.**
