SOLICITATION AMENDMENT 006

This solicitation amendment is raised to:

1. Address the following clarification questions submitted by potential bidders; and
2. Modify the RFP if necessary.

1. CLARIFICATION QUESTIONS AND ANSWERS

Question #	RFP Reference	Title/ Topic	Clarification Question	Response #	Clarification Response
1	Attachment A- Technical Evaluation Criteria	<p>C-M1 - Large scale ISS project,</p> <p>C-M2 - One Healthcare HIS Reference,</p> <p>C-R2 - 3 Canadian references for 15 points each, and</p> <p>CR3 - 3 Military references for 15 points each,</p>	<p>In our assessment, only the incumbent, who can use the ISS work on CFHIS that meets C-M1 as a reference for both C-R2 (Canadian) and C-R3 (Military) can achieve the maximum points.</p> <p>We do not believe that there is large ISS project other than CFHIS that meets the C-M1 criteria, the C-M2 criteria, and that would meet the criteria of being in Canada (C-R2) and in the Military(C-R3).</p> <p>Therefore, the scoring favors the incumbent and we respectfully request that the C-R3 score be changed from <i>"15 points will be provided for each project provided under M1 that was performed in support of a military organization, to a maximum of 45 points"</i> to <i>"15 points will be provided for each project provided under M1 that was performed in support of a military organization, to a maximum of 30 points"</i>.</p>	1	Canada has considered the request and revised the scoring for C-R3. See modifications section below for more information.
