Amendment 001 has been issued to answer bidder questions and make changes to the solicitation.

Q1: Can you also confirm the difference between Item 25, Cheese, Goat and Item 38, Cheese, Goat, Bruschetta?

R1: Item 38 has been removed from Annex D – Appendix 1 in this amendment. The line items have now been adjusted to reflect new numbering.

Q2: We are working on getting pricing for the above solicitation and had one question we would like to ask. It was our understanding that a while back the Industry standardized the sizing of the individual milk containers from 250 ml to 237 ml. Are you able to confirm that they are currently receiving 250 ml cartons.

R2: DND are receiving 237 ml containers and have changed the sizes in Annex D – Appendix 1.

Q3: At Annex A, Requirement, Item 3.5, it states that, "The Offeror must deliver the goods as per the case size (case description) outlined in Annex B – Basis of Payment." We carry many items that are different pack size to that of the description. Will our customer accept our offered pack sizes?

R3: Due to the changing nature of the dairy industry, DND has amended this statement to reflect the Recommended Case Size or the Offerors Case Description.

Q4: At Annex D – Appendix 1, Item 11, Cheese parmesan, grated – 2 x 2.27 gm, does DND require a pure grated parmesan or will they accept a blended grated parmesan?

R4: DND does not have a preference as both are fine.

Q5: At Annex D – Appendix 1, Item 51, Cream, French Vanilla and Item 52, Cream, Hazelnut, these items are a liquid and approximately 5.7 Lt per case. The usage is showing as 665 KG? Can DND please confirm they require offeror's to quote on LT or KG's for this item? Also, is this usage accurate?

R5: The line items have now been adjusted to reflect revised estimated usages and case descriptions.

Q6: At Annex D – Appendix 1, Item 55 – Yogurt, Peach, Individual. The recommended case size is 12 x 150 gm- or 1.8 kg per case – usage is showing in LT? Can you please confirm that you wish offeror's to quote in KG or in LT?

R6: DND requires the prices per gram. The usages have been adjusted to reflect this.

Q7: At Annex D – Appendix 1, Item 65, Eggs, fresh, large, Canada grade A. Eggs are typically sold by the case – 1 x 15 dozen – 180 ea – to quote a sell price per egg, how many placeholders can we provide?

R7: We usually accept up to 3 decimal points. For example, \$0.211 per egg.

Q8: The Excel spreadsheet was not included on Buy & Sell. Can PWGSC provide this for offeror's to use when submitting their offer?

R8: The Excel spreadsheet has been included for offeror's as requested. The included Annex D – Appendix 1 includes the updates identified in this solicitation amendment 001 including the addition of the 'Offeror's Code' column. DND requires this to match Offeror's codes with their UNITRAK codes for all items.
