Attachment #1 – Questions and Answers #1

Q1: Can you please provide clarification in terms of the requirements in the RFP:

The Section for Bid Preparation Instructions seems to contain conflicting information in that:

Section I: Technical/Managerial Bid

Section II: Financial Bid

Section III: Certifications

Section IV: Additional Information

Per: Page 8 of 91 (a) the total number of pages for Section I and Section II should not exceed 60 pages, including bid appendices

Per: Page 14 of 91

Bidders are reminded that there are a limited number of pages that the bid must not exceed. If the number of pages of Sections I, as described herein, is exceed, the evaluation will strictly be based on the first 60 pages submitted, including appendices.

Please indicate if Section I and II are considered a limit of 60 pages total, or if Section I can be 60 pages.

A1: Section I should not exceed 60 pages.
