This amendment has been raised for the following reasons;

- A) Modifications to the solicitation
- B) To post Questions and Answers received from the industry to date.

**A) MODIFICATIONS**

1. At Annex A, remove 5.2.3.1.6 and its entirety and replace with the following;

5.2.3.1.6 Back and seat to swivel independently or together or both.

2. At part 6 – RESULTING CONTRACT CLAUSES, under 6.8 Certifications please add the following;

**6.8.2 Product Conformance Certification**

The Contractor warrants that the Product Conformance Certification submitted by the Contractor is accurate and complete, and that the products provided under this Contract are in accordance with Annex A - Requirement. The Contractor must keep proper records and documentation relating to the product conformance and the Testing Requirements in Annex A. The Contractor must not, without obtaining the prior written consent of the Contracting Authority, dispose of any such records or documentation until the expiration of the Contract or the expiry date of the Warranty, whichever is later. All such records and documentation must at all times during the retention period be open to audit, inspection and examination by the representatives of Canada, who may make copies and take extracts.

Nothing in this clause must be interpreted as limiting the rights and remedies which Canada may otherwise have pursuant to this contract.

In addition, the Contractor must provide representatives of Canada access to all locations where any part of the Work is being performed at any time during working hours. Representatives of Canada may make examinations and such tests of the Work as they may think fit. The Contractor must provide all assistance and facilities, test pieces, samples and documentation that the representatives of Canada may reasonably require for the carrying out of the inspection, which may also include the submission of test reporting documentation as listed in Annex A. The Contractor must forward such test pieces and samples to such person or location as the representatives of Canada specifies.

**B) QUESTIONS & ANSWERS**

- Q1. Seat #3 items 5.2.3.1.6, 7 are very specific and favour one specific chair. In order to bid, would a fixed seat and back with auto swivel be acceptable with no flexing fingers?

A1. See above MODIFICATIONS

- Q2. In the general spec it says you must quote 2 grades above lowest but then says at 5.2.2.1.4 you must grade to Coalesse fabrics which is a manufacturer of seating. Which do you require?

A2. Quote 2 grades above lowest.
