QUESTION AND ANSWER – SERIES III

Question 1: Our firm has numerous years of experience in aviation and we find it odd that only one (1) resource is desired to fulfill the statement of work. Will the RCMP consider removing the requirement for only one (1) resource from M1 and will the RCMP consider further extending the solicitation?

Answer 1: See amendment below

THIS AMENDMENT IS RAISED TO CHANGE M1, THE STATEMENT OF WORK, AND THE SOLICITATION CLOSING DATE and BIDDER INSTRUCTIONS. THE REVISIONS ARE AS FOLLOWS:

- 1) At Annex “D”, Mandatory Evaluation Criteria, M1, DELETE in its entirety and INSERT the following:

Item #	Criterion	Met/Not Met	Substantiation														
M1	<p>The proposed resource must demonstrate experience in each of the following, with a minimum 10 years' combined experience:</p> <ol style="list-style-type: none"> 1) Reviewing user needs assessment and demand analysis 2) Determining optimal platforms to meet the need 3) Determining optimal replacement schedules for each aircraft type 4) Determining the most efficient and effective structure for delivery or air operations 5) Developing performance metrics for air operations <p>The bidder must submit work experience or project summaries using the table below.</p> <p>Note: There is no maximum number of proposed resources the Bidder may submit, however, each proposed resource must individually meet M1. Should one member of a submitted TEAM not meet M1, the Bidder's proposal will be considered non-compliant.</p> <table border="1" data-bbox="310 1136 867 1665"> <tr> <td data-bbox="310 1136 609 1199">Name of organization:</td> <td data-bbox="609 1136 867 1199"></td> </tr> <tr> <td data-bbox="310 1199 609 1230">Project name:</td> <td data-bbox="609 1199 867 1230"></td> </tr> <tr> <td data-bbox="310 1230 609 1262">Project contact name:</td> <td data-bbox="609 1230 867 1262"></td> </tr> <tr> <td data-bbox="310 1262 609 1419">Project contact phone number (correct up-to-date contact info must be given for verification purposes):</td> <td data-bbox="609 1262 867 1419"></td> </tr> <tr> <td data-bbox="310 1419 609 1451">Period of Work:</td> <td data-bbox="609 1419 867 1451"></td> </tr> <tr> <td data-bbox="310 1451 609 1545">Description of tasks and responsibilities that bidder completed:</td> <td data-bbox="609 1451 867 1545"></td> </tr> <tr> <td data-bbox="310 1545 609 1665">Relevancy to the scope of work outlined in the SOW:</td> <td data-bbox="609 1545 867 1665"></td> </tr> </table>	Name of organization:		Project name:		Project contact name:		Project contact phone number (correct up-to-date contact info must be given for verification purposes):		Period of Work:		Description of tasks and responsibilities that bidder completed:		Relevancy to the scope of work outlined in the SOW:			
Name of organization:																	
Project name:																	
Project contact name:																	
Project contact phone number (correct up-to-date contact info must be given for verification purposes):																	
Period of Work:																	
Description of tasks and responsibilities that bidder completed:																	
Relevancy to the scope of work outlined in the SOW:																	

2) At Annex “A”, Statement of Work, ADD the following:**“7.0 Constraints**

- a) Should a Bidder submit a TEAM of proposed resources, only one proposed resource will be approved travel and living expenses to each identified location.”

3) At the Solicitation Closes box, RFP Cover page, DELETE in its entirety and INSERT the following:

Solicitation Closes – L’invitation prend fin		
At /à :	14 :00	EST (Eastern Standard Time) HNE (heure normale de l’Est)
On / le :	January 20, 2016	

4) At 2.3 Enquiries – Bid Solicitation, DELETE in its entirety and INSERT the following:**2.3 Enquiries - Bid Solicitation**

All enquiries must be submitted in writing to the Contracting Authority no later than January 15, 2016. Enquiries received after that time may not be answered.

Bidders should reference as accurately as possible the numbered item of the bid solicitation to which the enquiry relates. Care should be taken by bidders to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that the Bidder do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all bidders. Enquiries not submitted in a form that can be distributed to all bidders may not be answered by Canada.

ALL REMAINING TERMS AND CONDITIONS OF THIS RFP REMAIN UNCHANGED.
