Revision 002

This revision 002 is raised to provide question(s) and answer(s).

Question 1:

Regarding bid submission, would you prefer a hard copy sent by a courier company or an electronic copy via email?

Answer 1:

Bids received in hard copy sent by a courier company, or received by facsimile, are accepted. Bids in electronic copy via e-mail are not accepted.

Question 2:

Regarding proposing a firm price, we always prefer to give a detailed step by step cost breakdown to ensure you are receiving a like for like quotation. Is a lump figure provided in Annex "B" – Basis of Payment acceptable, then provide in our Offer a supplementary full breakdown table of all costs?

Answer 2:

Only the Total Bid Price provided in the Basis of Payment, in Annex "B" will be evaluated. Bidders may provide breakdown costs as well, but these costs will not be evaluated.

Question 3:

Given the long Transit Times in the EU, we would plan to ship all horses on vans in "wide" stalls (i.e. 1.5 spaces). This would benefit all the horses through increased surround ventilation, greater comfort in travel and makes them far less likely to contract and the kind of travel related conditions such as elevated temperatures etc. Is it acceptable?

Answer 3:

It is up to the Contractor to decide how to ship all horses to the destinations and back to Canada according to the Annex "A" Statement of Work. Please be reminded that the responsive bid with the lowest total bid price will be recommended for award of a contract.

Question 4:

We would plan on loading an extra stall on each aircraft to cater for any larger horses and to act as a contingency in case horses are unable to travel in triple stall. Is this acceptable?

Answer 4:

Same answer as to Question 3.

Question 5:

For the 10 RCMP personnel accompanying 36 horses on the plane(s), does the Contractor need to provide meals to the personnel?

Answer 5:

The Contractor does not need to provide meals to RCMP personnel on the plane.

Question 6:

With regard to Annex "C" – Mandatory Technical Criteria, what is the definition of "Bidder"?

Answer 6:

The definition of "Bidder" is in the Standard Instructions 2003 (2015-07-03) – Goods or Services – Competitive Requirements - 04 (2007-11-30) - Definition of Bidder:

"Bidder" means the person or entity (or, in the case of a joint venture, the persons or entities) submitting a bid to perform a contract for goods, services or both. It does not include the parent, subsidiaries or other affiliates of the Bidder, or its subcontractors.

All other terms and conditions remain unchanged.
