

NOTICE OF PROPOSED PROCUREMENT (NPP)

Solicitation #: 1000177282 **Closing Date:** February 02, 2016 **Time:** 3pm

EST (15:00 hrs) This requirement is for the Public Health Agency of Canada.

Title:

Evaluation of the Health Facilities and Capital Program, First Nations and Inuit Health Branch (FNIHB), Health Canada.

Background:

The Office of Audit and Evaluation, Public Health Agency of Canada and Health Canada, is seeking the services of a Contractor to conduct an evaluation of the Health Facilities and Capital Program (HFCP). The objective of the evaluation is to assess the relevance and performance (effectiveness, efficiency and economy) of the activities of the HFCP conducted between April 2010 and March 2015.

Scope:

The objective is to conduct an evaluation of the HFCP to assess its relevance and performance (effectiveness, efficiency and economy) as required by the Treasury Board *Policy on Evaluation* (2009). The evaluation will provide the Deputy Minister of Health Canada as well as senior management with reliable information to support decision-making regarding the achievements made by the HFCP to provide long-term capital support for First Nations health facilities and associated lands that enable First Nations communities to deliver a variety of health programs and services. To this end, the evaluation will also highlight Program achievements and lessons learned as well as challenges that were experienced during Program delivery.

The evaluation will be conducted in a manner that is consistent with the HFCP's evaluation matrix. This evaluation is scheduled to be conducted during fiscal years 2015-16 and 2016-17.

Estimated Value:

The total cost of professional fees and all expenses proposed by the bidding firm must not exceed \$226,000.00 including taxes, travel and other expenses.

Ownership of Intellectual Property:

The crown will retain IP ownership.

Security Requirement:

Secret –Common SRCL19
