

Questions and Answers 1-2-3

- 1 - Would you be open to receiving proposals from us in Nova Scotia? **Yes.**
- 2 - Would we be able to respond to simply the design aspect of the RFSO and not the Technology Consultant one? **It is the supplier's decision as to how it chooses to respond to the RFSO.**
- 3 - Do we need to satisfy any security requirements prior to the submission of our response? **No.**
