Solicitation Amendment 003

This amendment is raised to respond to proponent questions.

Q8. Please confirm if security clearances are required prior to submitting a proposal, or upon award.

A8. Security clearances are required prior to contract award.

Q9. Under 3.2.4 Senior Personnel Expertise and Experience and 3.2.5 Project Personnel Expertise and Experience - it states a maximum of 1 CV of senior/project personnel for each Sub-Consultant/Specialist. When a sub-consultant firm is providing both mechanical and electrical services to the prime consultant do we provide 1 CV for the mechanical and 1 CV for the electrical? Or are we limited to only providing 1 CV that represents the sub-consultant firm?

A9. One CV for each discipline is required.

Q10. Under the Submission Requirements Checklist - The front page of the Request for Standing Offer and The Front Page of the Revision(s) to a Request for Standing Offer – are we required to add this to the front of the offer or can these signed pages simply be included in the same envelope?

A10. These pages can be included in the envelope.

Q11. Annex G and F both request information for a Civil Engineer, but does not specify their scope of work in Section A2. Can you confirm the civil engineer's scope of work?

A11. The civil engineers scope of work includes:

- Underground utilities – sanitary and storm sewers including manholes, sewage lagoons, water lines, valve chambers, pumping stations and elevated tanks
- Above ground – roads, sidewalks, parking lots

Q12. Annex F – Price Offer Page 80 of 84 – Page 80 of 84 – The Price Offer Summary Table “Prime Consultant” is that intended to the “Partners or Principals of Firm?” If not, what level is it?

A12. Explanations are provided on the first page of Annex F, see instructions # 4 and #8
