DELIVERABLES / SCOPE OF WORK

Please reference the “Specifications” within this invitation to tender.

MANDATE:

The Port Simpson Small Craft Harbour, located 32 km north of Prince Rupert, British Columbia, in the town of Port Simpson, requires revitalization to its harbour. Work covered comprises of the following:

- supply of steel pipe piles;
- assembly of timber float modules
- removal of existing floats; and
- piling and installation of new floats and piling.

Expected Start and Completion Dates

The services of the Contractor will be commencing on award of the contract and as such:

- Steel piles are to be supplied no later than **March 31, 2106**;
- All work with the exception of the steel pile supply is to commence no earlier than **May 1, 2016**; and
- The expected completion date of this project is no later than **January 31, 2017**.

MANDATORY REQUIREMENTS:

- The minimum acceptable amount of Public Liability and Property Damage Insurance is \$2,000,000.00 per occurrence. All tenders **must** be accompanied by confirmation from the tenderer’s insurance company that the required insurance will be available upon contract award;
- The tenderer must provide tender security, at the tenderer’s own cost, in accordance with the document entitled "Tender Security Requirements" as Bid Security is required for bids over \$100,000. Under these circumstances, the Tender and **original signed Bid Bond** must be delivered to the Closing Location prior to the closing date.

Note: All tender securities (Bid Bond) will be returned except that of the successful tenderer (Bidder), which will be retained until the successful tenderer (Contractor) has completed the said contract.
