**Invitation to Qualify (ITQ) #W8474-11MP01/M**

**Military Personnel Management Capability Transformation (MPMCT) Project  
Systems Integrator (SI) Requirement**

**For the Department of National Defence (DND) and the Canadian Armed Forces (CAF)**

**Amendment No. 002**

The following is a summary of the amendments issued to date for ITQ #W8474-11MP01/M:

<b>Amendment No.</b>	<b>Date</b>	<b>Comments</b>
001	February 5, 2016	Clarification Question #1
002	February 11, 2016	Clarification Question #2

**Clarification Questions:**

Note, clarification questions are numerically sequenced upon arrival at PWGSC. A question and its answer will be provided via the Government of Canada's tendering web site BuyandSell.gc.ca as responses become available. Potential Respondents are therefore advised that questions and answers may be issued via BuyandSell.gc.ca out of sequence.

The following clarification question was received from a potential Respondent. In accordance with Article 13 under the 2003 (2015-07-03) Standard Instructions - Goods or Services - Competitive Requirements, which has been incorporated into the ITQ, in accordance with Article 2.1.3 of the ITQ, the clarification question and corresponding answer are provided to all potential Respondents as set out below:

**Question #2:**

Is it Canada's intention that the Articles of Agreement in the finalized Contract for the DND/CAF - MPMCT Systems Integrator Requirement will contain provisions limiting the Contractor's liability for damages in accordance with one of the Limitation of Liability clauses set out in Section 5.N of the Standard Procurement Clauses in the SACC Manual?

**Answer #2:**

Yes, Canada's intent is to include a limitation of liability clause in any resulting RFP that is issued as a result of this procurement process. Canada will provide all ITQ Responsive Suppliers with the draft RFP documents during the RRR phase for their review, which will include a limitation of liability clause that is consistent with Canada's Information Management/Information Technology (IM/IT) contracts.

**ALL OTHER TERMS AND CONDITIONS OF THE ITQ REMAIN UNCHANGED.**
