### **Solicitation Amendment 005**

This amendment is being raised to incorporate an Extension of Time for the receipt of tender and to respond to proponent questions.

#### **Extension of Time**

Notice is hereby given that the closing date for the reception of tenders previously due Tuesday, February 16, 2016 is extended to **14:00 hours, Tuesday, February 23, 2016.**

Q14. On page 30 of the Request for Standing Offer, in section:

A 2.2.1 Ad Hoc Study, the following services are cited:

Fire Alarms Systems.

\_ Fire Protection to include suppression, emergency lighting and extinguishers.

\_ Accessibility under Federal Barrier Free standards.

The above services are performed by our Fire Life Safety Consulting firm. However, the Price Offer-Annex F, does not offer a table for Fire Life Safety Consultants.

How should we include this potential cost in our submission?

A14. These studies should be carried out by mechanical consultants (fire suppression, extinguishers), electrical consultants (fire alarm system, emergency lighting) and architectural consultants (accessibility). Therefore, we consider that there is no need for a table cover the "Fire Life Safety Consultants".

**All other terms and conditions of the solicitation remain the same.**
