Amendment 004 is created to answer the following question raised from a bidder:

Question 1:

The price is to include off-loading the truck. That can be done but need you to confirm is this off-loading to a parking lot or are the lockers to be designated within the building that may require stairs, elevators and added distance and is there a proper ramp for tailgate off-loading.

Finally just confirming our submission by fax is acceptable.

Question 2:

The lockers are only required to be delivered (off-loaded): no installation on the part of the Contractor is required.

ALL OTHER TERMS AND CONDITIONS OF THE RFP REMAIN UNCHANGED.
