Description of the Requirement:

The Canadian Space Agency (CSA) is seeking to establish a contract for Project Manager for real property, till March 31, 2018, for the David Florida Laboratory (DFL) in Ottawa of the Canadian Space Agency (CSA).

The objective of the contract is to manage the construction projects associated with capital projects and the Internal Accelerated Refit (IAR). The project manager will be responsible for the execution of one or more simultaneous construction projects in accordance with a valid, executed contract, per CSA-DFL policies and procedures and work instructions.
