Amendment number 003 to Request for Proposal (RFP) W8482-168290/A which closes February 29, 2016 at 2:00 p.m. is raised to:

1. Revise the Request for Proposal closing date to: **March 3, 2016** at 2:00pm EST.
2. Respond to questions received from bidders and provide the following additional information:

Q1- In the main document, the dimensions are: OVERALL HEIGHT: 42.312 INCHES NOMINAL; OVERALL LENGTH: 32.750 INCHES NOMINAL; and OVERALL WIDTH: 20.500 INCHES NOMINAL.

But in the first amendment (A2) it is mentioned: "The measurement of the tank is 42 3/8" high, 29" wide and 20 1/2" depth". What are the correct dimensions?

A1- The correct dimensions are those listed in the first amendment (A2): Overall Height: 42 3/8"; Overall Length: 29"; and Overall Width (Depth): 20 1/2"

All we need is the tank to be sitting on two 24" L shape bars (lengthwise) so the tank can be fitted on the skid. The L shape bars need to be cut at 45 degrees at each end.

Q2- There are two 45 degree tapers at the bottom of the tank on the length of the tank.

How far from top and bottom is it tapered?

A2- 30" from the top of the tank

All other terms and conditions of the Request for Proposal remain unchanged.
