AMENDMENT 014**

This amendment contains the following sections:

1. Questions and Answers (Set 10)

Section 1: Questions and Answers (Set 10)

Note: Questions are numerically sequenced upon arrival at PWGSC. A question and its answer will be provided via BuyandSell as the response becomes available. Potential bidders are therefore advised that questions and answers may be issued via BuyandSell out of sequence. The following questions have been received. In accordance with Article 13 under 2003 Standard Instructions - Goods or Services - Competitive Requirements (2015-07-03) which has been incorporated into the RFP in accordance with Article 2.1 of Part 2 of the RFP, the questions and corresponding answers are provided to all potential bidders as set out below:

- Q72. Given the changes in the RFP, can Canada please clarify the process with respect to a consortium bid? Our scenario is such that we wish to submit a bid as a prime contractor with the potential for 2 other tier 1 subcontractors that would be providing corporate references in the proposal and providing resources on the successful award.

To be successfully evaluated (i.e. use all three firm's references), is a formal Joint Venture agreement necessary, or can we be established as team where our company is the prime and the other 2 vendors are named tier 1 subcontractors (with associated teaming agreements in place before proposal submission)?

- A72. Changes were made at Amendment 008 in which the Team Certification Form was removed and modifications were made at Attachment A - Technical Evaluation criteria, and articles 3.2 and 4.2 were also revised to reflect this scenario. The intent of this change is to allow Bidders to demonstrate experience through their own experience (or Joint Venture experience), and through the experience of "related organizations" (parents, affiliates or subsidiaries) as indicated, in satisfying the respective criteria.

For further clarity, note that the definition of "Bidder" remains unchanged, as defined in the 2003 SACC Manual definitions, Standard Instructions - Goods or Services - Competitive Requirements:

04 (2007-11-30) Definition of Bidder

"Bidder" means the person or entity (or, in the case of a joint venture, the persons or entities) submitting a bid to perform a contract for goods, services or both. It does not include the parent, subsidiaries or other affiliates of the Bidder, or its subcontractors.
