This Solicitation Amendment No. Six (6) is raised to include the following addendum no. 6.

The following addendum to the tender documents is effective immediately. This addendum shall form part of the contract documents.

All other terms and conditions remain the same.

Addendum 6.

1. **QUESTIONS AND ANSWERS**

Q1: Please confirm if a private Commissioning Agent/Commissioning Agency is required as outlined in Section 01 91 31, or if this a leftover copy and paste portion of the spec that is not required for this specific tender? We are assuming that the Petroleum suppliers will be doing their own commissioning, but it is unclear what the necessity would be for a private Commissioning Agency?

A1: A private commissioning (Cx) agent/agency will not be retained for this project. The general contractor will be responsible for coordinating Cx activities per section 01 91 31.

2. **SPECIFICATIONS**

.1 **Section 01 14 00 – Work Restrictions**

All personnel employed on this project will be required to successfully complete a Correctional Service Canada CPIC clearance request for the Springhill Institution.

.2 **Section 33 56 13 – Aboveground Fuel Tanks**

Double wall steel tanks shall have a minimum 10 gauge thick outer wall.
