

Project Title: Expert Deployment Mechanism

A. AMENDMENT TO THE RFP

1. In the Instructions to Bidders – Data Sheet, at Definitions (ee), DELETE the words “2016-03-09” and REPLACE them by “2016-03-24”.

B. QUESTIONS AND ANSWERS

Question 1 The RFP states: “The results and logic model will be refined in greater depth during the project’s inception stage.” Is there a draft of the logic model available?

Answer 1 There is no Logic Model at present. A Logic Model will be shared with the selected contractor during the negotiation of the contract. However, the paragraph which ends with the referenced sentence in Annex A of the Terms of Reference lists the expected results of the project.

C. All other terms and conditions remain unchanged.
