Invitation to Qualify (ITQ) #W8474-11MP01/M

**Military Personnel Management Capability Transformation (MPMCT) Project
Systems Integrator (SI) Requirement**

For the Department of National Defence (DND) and the Canadian Armed Forces (CAF)

Amendment No. 006

The following is a summary of the amendments issued to date for ITQ #W8474-11MP01/M:

Amendment No.	Date	Comments
001	February 5, 2016	Clarification Question #1
002	February 11, 2016	Clarification Question #2
003	February 16, 2016	Clarification Question #3
004	February 19, 2016	Clarification Questions #4 and 5.
005	February 25, 2016	Clarification Question #6 and ITQ revision #1.
006	February 26, 2016	Clarification Questions #7 and 8, and ITQ revision #2 to extend the ITQ closing date.

Clarification Questions:

Note, clarification questions are numerically sequenced upon arrival at PWGSC. A question and its answer will be provided via the Government of Canada's tendering web site BuyandSell.gc.ca as responses become available. Potential Respondents are therefore advised that questions and answers may be issued via BuyandSell.gc.ca out of sequence.

The following clarification questions were received from potential Respondents. In accordance with Article 13 under the 2003 (2015-07-03) Standard Instructions - Goods or Services - Competitive Requirements, which has been incorporated into the ITQ, in accordance with Article 2.1.3 of the ITQ, the clarification questions and corresponding answers are being provided to all potential Respondents as set out below:

Question #7:

We respectfully ask that the deadline for responses to the ITQ be extended for a 2-week period, based on the Government of Canada's clarifying response in Amendment 003.

The clarification provided in Amendment 003 differs substantially from the original interpretation of the definition of "Respondent" by a number of potentially-qualified organizations, and has forced companies to identify and propose alternative customer reference projects for the ITQ evaluation process.

The release of Amendment 003 effectively 12 working days prior to the existing due date for ITQ responses does not allow potential respondents sufficient time to identify and prepare alternative customer project references based on the Government of Canada's clarifying response to Question #3.

Answer #7:

Canada agrees to extend the ITQ closing date from March 7, 2016 to March 30, 2016.

Question #8:

Given the number of large proposals in flight, we respectfully request a three-week extension, to Wednesday, March 30, 2016.

Answer #8:

Canada agrees to extend the ITQ closing date from March 7, 2016 to March 30, 2016.
