## Amendment 001

### **1) For Clarification Purposes:**

The Statement of Work ANNEX A at page 9 of 9, Note #1 will be upheld and the wording will remain unchanged as follows:

“The contractor is responsible for all costs associated with an annual maintenance inspection on the hood systems (12 month intervals) that is to be performed by Halton Canada, the equipment manufacturer. Maintenance shall be completed in accordance with the manufacturer’s recommended procedures. A complete report shall be provided outlining all tasks completed and any deficiencies. Maintenance must be coordinated with the technical authority.”

### **2) Question 1:**

It was said on site that this was a PM contract only. The scope of work on page 43 states that the contract is to include all labour for service calls (24-7). This sort of implies work beyond that of a normal PM contract. Can you help me understand if I need to carry extra hours for service calls outside of the scheduled preventive maintenance visits? Or will we be allowed to bill for time that we spend on a service call?

### **Answer 1:**

Revise the following in The Statement of Work Annex A.

SW 2.1 Scope of Work - Preventive Maintenance/Inspection, .2 Included in Contract

**a) Delete** in it’s entirety, service calls (24-7).

SW 3 Service, .6 Emergency Calls

**b) Delete** in it’s entirety, Qualified Mechanic **and Replace with**, Journeyperson (JP).

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.**
