This amendment is raised to answer questions relating to Solicitation #W0117-148966/A as follows:

Question 1:

It is noted that the requirement states it has to be NSA/RCMP approved. Is the RCMP part approval mandatory for this solicitation?

Answer 1:

RCMP approval is required, however they follow the guidelines set ITSG 06 –
https://www.cse-cst.gc.ca/en/system/files/pdf_documents/itsg06-eng.pdf
<https://www.cse-cst.gc.ca/fr/publication/itsg-06>

The requirements in ITSG 06 state - grind or pulverize the storage chip or the entire storage device into small pieces < 2mm in size, using a 3/32-inch screen.

Question 2:

Annex B states installation is required. Can you please detail what your installation requirements are so we can quote accordingly?

Answer 2:

Installation would require delivery to site and then to be moved to the specific location we have here for the disintegrator plus any device specific work (whether it needs to be bolted down, blades need to be installed etc.).

All other Terms and Conditions remain the same.
