Le but de la modification est l'ajout d'un addenda : ADDENDUM No. 1, joint un document distinct :

Q1. Who will be carrying the cost for the building permit?

A1. The contractor

Q2. Who was the installer for the Mancom track system? If possible please include a contact number.

A2. Mancom Manufacturing Incorporated 1-905-304-6141

Q3. When will the lead abatement take place, before or during construction? Will we have to halt work if lead fragments are found stuck in the baffles between the wood and acoustical membrane?

A3. Prior to construction. The wood and acoustical membrane will be removed during the lead abatement. In the event material suspected to be lead is found, the work in that area will be halted until the material can be tested or cleaned up.

Q4. Who was the manufacture and installer of the Baffles system currently being used in the firearms range?

A4. Anlin Welding and Steel

Q5. In Amendment #2 it states that the RCMP staff maintain the system. Will they be removing and reinstalling the system or are we to carry the cost?

A5. This work is to be included in the contract and would likely need to be completed by a Mancom representative.

Q6. Would it be possible to provide a list of all the contractors and subtrades who attended the site visit.
