This solicitation amendment 002 is issued to answer questions raised by the industry.

Q1. I cannot find any pricing request in the Pricing Schedule for the collection/transportation of the 30 yard compactor located at L'Esplanade Laurier. There is a request for the 20 and 40 cubic yard compactors only. There is also a request for the rental fee to provide a 30 cubic yard compactor.

R1. At table 1.1, delete 40 cubic yard compactor and replace with 30 cubic yard compactor. See attached revised Annex C.

No other changes apply.

ANNEX C - Costs of Services Schedule – Basis of Payment (Revision #01 – March 3, 2016)

It is mandatory that the bidders submit prices for five (5) years for all items by completing the grids below. The information submitted will be used to determine the bidder's total assessed price for purposes of the bid evaluation and selection. The quantities provided are strictly estimates and are to be used for financial evaluation purposes only.

Prices in Annex C, in accordance with the Scope of Work attached herein at Annex A and the collection requirements at Annex B, shall apply to increases or decreases in the specified number of units, and to any sites added or deleted throughout the term of the contract.

In case of an error in calculation, the unit price will govern.
